

GREASESTOCK 2007

An Alternative Fuel Exhibit with a sustainable lifestyle theme

May 6, 2007 (Noon to 5:00) at PETER PRATT'S INN, Yorktown Heights, NY

- ◆ Free admission!
- ◆ See a variety of alternative fuel powered vehicles
- ◆ Discuss fuel processing issues & innovations
- ◆ Open to the Public
- ◆ Compare a wide range of alternative fuel systems
- ◆ Eat and drink with other alternative fuel enthusiasts

A lot of people coming to this event are interested in converting their vehicles to alternative fuel so please try to be informative and courteous

Food and beverages - burgers, dogs, chips, pasta salad, corn on the cobb, French fries, fried food fried in vegetable oil, salad, water, soda, wine and refreshments available at concession. Beer - Saw Mill River Pale Ale provided by Charley Ewen (veteran greaser). Please help by TIPPING your bartender and using the trash cans for refuse and the designated containers for recyclables. Please clean up after yourselves and please leave by 5 pm!

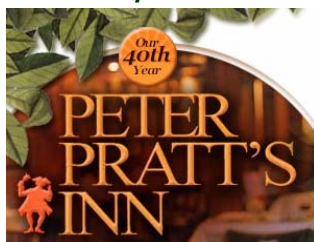

Exhibitors:

- **V.O. Tech** –The Title Sponsor of this year's event will be showcasing their new state of the art vegetable oil conversion system for diesel engines. www.VOTechUSA.com
- **Wally's Super Service** - Wally has professionally installed over 250 vegetable oil conversion systems over the past 36 months. www.wallysuperservice.com
- **Community Biofuels** - a consulting, marketing and manufacturing company bringing bio-feedstock derived products to the motor fuel and heating oil markets. www.communitybiofuels.com
- **ISI Solar** – provides design, installation and consulting services for residential and commercial solar electric energy systems www.ISI-Solar.com
- **Jack Algier, Farm Manager, Stone Barns Center for Food and Agriculture** will be displaying his bio-diesel processing plant. Jack powers tractors and farm vehicles using bio-diesel fuel.
- **NFA Solar Racing Team**, Newburgh Free Academy's Solar Racing Team will be exhibiting and demonstrating their solar powered race car. (www.nfasolar.org)
- **Simpson Shipping**—a provider of oil drums to the industrial and shipping community. They plan on having a quantity available for sale at Greasestock for those building their own processing plants!
- **NY City Watershed Agriculture Council** –Supporting the economic viability of agriculture and forestry through the protection of water quality and the promotion of land conservation in the New York City Watershed region www.nycwatershed.org
- **All that Grows** – An organic farmer will be exhibiting and selling organically grown micro-greens and the alternative-fuel powered vehicle used for their deliveries.

Exhibitors will be showcasing products and/or services with a sustainable lifestyle theme. Only pre-registered exhibitors are permitted on site; no other commercial activity, promotion, sales or marketing activities are permitted. No exceptions.
